Normal Operations	Normal Operations	Normal Operations	Normal Operations

Emergency Management Assistance Compact (EMAC), Puerto Rico Earthquake

On 01/07/20 at 0324 hours, a M6.4 earthquake occurred approximately 8.4 miles west-southwest of Ponce, Puerto Rico at a depth of 6 miles. Aftershocks continue to impact Puerto Rico hourly. The State Of California has deployed a total of 31 personnel from multiple agencies to Puerto Rico to assist with response and recovery efforts.

Deployments

- 13 Cal OES personnel
- 12 Caltrans personnel
- 3 Department of General Services, Division of the State Architect (DSA) personnel
- 2 Department of Social Services (DSS) personnel
- 1 Cal Recycle personnel

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

Train Derailment, Los Angeles, Los Angeles County, SPILL: 20-0456

On 01/23/20 at 00156 hours, the California State Warning Center (CSWC) received a report from Union Pacific Railroad (UPRR) that one locomotive derailed in the upright position due to human error.

- There were no hazardous materials released and no injuries reported.
- CSWC personnel performed notifications per SOP.

SITUATION SUMMARY

Cal OES SOUTHERN REGION (Continued)

HAZMAT Incident, 405 Freeway, Los Angeles County, SPILL: 20-0472

On 01/23/2020 at 1310 hours, the California State Warning Center (CSWC) was notified by its social media monitoring tools of a potential HAZMAT release involving Hydrogen Cyanide that prompted the closure of both directions of Interstate 405 (I-405) at Inglewood Ave. in Redondo Beach, Los Angeles County.

- A container of Hydrogen Cyanide fell from a vehicle on the southbound I-405 Freeway causing the freeway closure.
- There were no hazardous materials released and no injuries reported due to chemicals.
- Redondo Beach Fire Department and LA County Fire Department Haz-Mat responded.
- All lanes of the 405 Freeway have reopened.
- CSWC personnel performed notifications per SOP.

- None reported.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- A warm storm system will bring wet weather conditions to northwest California this weekend.
- Persistent, and periodically heavy, rainfall could overwhelm small streams and areas with poor drainage causing ponding water and some minor flooding across the region.
- Wetter Pacific storm moves through Interior Northern California this weekend with unsettled weather continuing early next week.
- Visibility one quarter mile or less in dense fog for portions of Central and Southern San Joaquin Valley from midnight tonight to noon Friday.
 - Hazardous driving conditions due to low visibility.
 - High Transportation Risk along San Joaquin Valley roadways.

SOUTHERN CALIFORNIA

- Nothing significant to report.

WEATHER KEY POINTS

01/23/20 - 01/29/20

Thursday-Friday

- Dry conditions across much of the state outside of some light precipitation at times across the far northern portions of the state. No significant impacts.

Saturday-Sunday

- Next storm system will bring valley rain and mountain snow to the central and northern portions of the state Saturday night into Sunday morning. Travel will be impacted over the mountains due to the snow. Locally heavy rain is possible but confidence is low at this time.

Monday

- Dry conditions across much of the state outside of some precipitation at times across the northern coastal areas. No significant impacts.

Tuesday

- Valley rain and mountain snow across northern portions of the state may impact travel over the mountain passes.

Wednesday

- Dry conditions across much of the state outside of some precipitation at times across the northern coastal areas. No significant impacts.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2020-LAW-8662 01/22/20 at 2112 hours:** Request from Mariposa SO for assistance with a 75 year old man with dementia who walked away from his home in the city of Mariposa. The home is surrounded by forest. The missing subject was not reported until around dark. Mariposa is requesting 40 type I and II searchers for 01/23/20. Fresno, Tuolumne, San Mateo, Contra Costa, Tulare and Merced counties sending 21 searchers. Two trailing canines were dispatched to assist on the evening of 01/22/20 with a request for two more area canines for 01/23/20. No local FLIR capable air assets available for 01/22/20; request in to the military. California National Guard is checking to see if they can fly a FLIR mission in the night of 01/23/20. New request for air assets for today, 01/23/20 as CHP H-40 is not available. **MISSION ONGOING.**

Cal OES MISSION TASKING

Cal OES Missions

- None reported.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
